KB-8000X

Wireless Multimedia Keyboard Mouse Combo

Genius
Live with Ideas

Experience the next generation 2.4GHz wireless multimedia full sized keyboard and mouse combo from Genius - KB-8000X. This combo kit offers reliable 2.4GHz transmission for superb working smoothness and uninterrupted connection. The low-profile keycap structure provides maximum typing comfort and a quiet typing experience. There are 12 function keys for media control, office and Internet access, giving you instant access controls so you can accomplish tasks faster. And for hand comfort, the streamline palm rest design provides comfortable support and good typing posture.

The 1200 dpi mouse enhances tracking ability and provides smooth and precise movement. The ergo shape design offers superior controllability and is suitable for either hand.

Setting up the keyboard and mouse is simple: just insert the batteries, plug in the tiny transceiver, and start typing! With a competitive price and superior specifications, KB-8000X is the most attractive and economic keyboard mouse combo introduced by Genius in 2014.
